Mrs. Effa Manley
71 Crawford Street
Newark, N. J.

Dear Mrs. Manley:

Due to the slackness of the baseball situation in the east, I don't suppose you'll continue the Eagles on salary after August 30th...at any rate no later than Sept. 7th.

If there is any chance of us getting Leon Day around the above period for the Clowns...as we intend to continue salaries until Sept. 15th...then go into co-plan...playing through entire month of September and part of October...would appreciate having details...as we could use him, no doubt, and at the same time permit him to pick up some extra money.

Hoping you've had a good season...as there's been some big money around this summer...and that things are still breaking okay for you and Mr. Manley, I am

Sincerely yours,

Syd Pollock
